For: CELL POTENTIAL MEASUREMENT
APPARATUS HAVING A PLURALITY OF
MICROELECTRODES

Examiner: D. Redding

COMMUNICATION REGARDING ISSUE FEE PAYMENT

MS Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants write to request re-assessment of the issue fee due in the above-captioned application. A Notice of Allowance and Fee(s) Due communication was mailed on September 5, 2007. The communication indicates that an issue fee of \$1400.00 is due even though an issue fee of \$1400.00 was previously paid. In further support of previous payment, submitted herewith is a copy of the fee transmittal printed from public PAIR, which indicates that fees were withdrawn from our deposit account on July 18, 2006.

Given the previous issue fee payment, Applicants submit that the current issue fee should only include the overage due to the recent increase in fees, which became effective on September 30, 2007, and which increased the issue fee for a large entity to \$1440.00 (from \$1400.00). Accordingly, Applicants have noted on the current fee transmittal, also enclosed herewith, that \$40.00 instead of \$1440.00 is due for the issue fee.

However, if the Office determines that \$1440.00 is indeed the issue fee to be paid, Applicants authorize the Commissioner to charge the \$1440.00 to **Deposit Account No. 03-1952**, referencing 369212000131. Furthermore, in the unlikely event that the transmittal form or other enclosed papers are separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with this issue fee payment to **Deposit Account No. 03-1952**, referencing 369212000131.

Dated: October 25, 2007

Respectfully submitted,

By 
Lisa A. Amii
